Leak Freeze with Magic Frost

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 06/24/2014 Version: 1.0

	ubstance/mixture and of the company/undertaking
1.1. Product identifier	
Product form	: Mixture
Product name	: Leak Freeze with Magic Frost
	bstance or mixture and uses advised against
Use of the substance/mixture	: Sealant and additive enhancer
1.3.Details of the supplier of the safeUniversal Technologies, Inc.5626 Southwestern BlvdBaltimore, MD 21227(410) 247-3248	ty data sheet
1.4. Emergency telephone number	
Emergency number	: CALL INFOTRAC: (USA) 1-800-535-5053; (INTERNATIONAL) 1-362-323-3600
SECTION 2: Hazards identification	
2.1. Classification of the substance or	
Classification (GHS-US)	
Not classified	
2.2. Label elements	
GHS-US labeling	
No labeling applicable	
2.3. Other hazards	
No additional information available	
2.4. Unknown acute toxicity (GHS-US)	
None of the ingredients in the mixture are of u	
SECTION 3: Composition/informat	ion on ingredients
3.1. Substances	
Not applicable – product is a mixture	
3.2. Mixtures	
No ingredients are present at levels triggering	health or physical hazard classifications
SECTION 4: First aid measures	
4.1. Description of first aid measures	
First-aid measures general	: Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice
	(show the product label where possible).
First-aid measures after inhalation	: Get the victim to fresh air. Allow the victim to rest.
First-aid measures after skin contact	: Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse.
First-aid measures after eye contact	: Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist.
First-aid measures after ingestion	: Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.
4.2. Most important symptoms and eff	ects, both acute and delayed
Symptoms/injuries	: Not expected to present a significant hazard under anticipated conditions of normal use.
- J	cal attention and special treatment needed
4.3. Indication of any immediate medic	
4.3. Indication of any immediate medic No additional information available	
4.3. Indication of any immediate medic No additional information available SECTION 5: Firefighting measures	
4.3. Indication of any immediate media No additional information available SECTION 5: Firefighting measures 5.1. Extinguishing media	
4.3. Indication of any immediate media No additional information available SECTION 5: Firefighting measures 5.1. Extinguishing media Suitable extinguishing media	: Foam. Dry powder. Carbon dioxide. Water spray. Sand.
4.3. Indication of any immediate medic No additional information available SECTION 5: Firefighting measures	

Leak Freeze with Magic Frost Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

chemical frie. Contain all water used for fre-fighting to the greatest extent Protection during firefighting to the greatest extent SECTION 6: Accidental release measures 6.1. Firefighting instructions : Use water spray or fog for cooling exposed containers. Exercise catulon v chemical file. Contain all water used for fire-fighting to the greatest extents Protection during firefighting : Do not enter fire area without proper protective equipment, including responses SECTION 6: Accidental release measures : 6.1. Personal precautions, protective equipment and emergency procedures 6.1.1. For emergency presonnel Emergency procedures : Equip cleanup crew with proper protection. Emergency procedures : Ventilate area. 6.2. Environmental precautions Protection during up : Soak up spills with inert solids, such as clay or diatomaceous earth as sor spillage. Store away from other materials. 6.3. Methods and material for containment and cleaning up Methods for safe handling : Soak up spills with inert solids, such as clay or diatomaceous earth as sor spillage. Store away from other materials. 6.4. Reference to other sections. Stee Heading 8. Exposure controls and personal protection. Storage conditions : Keep only in the original container in a cool, well ventilated place away from samplish. Keep container cload when not in use. incompatible products : Storage sconing acids. incompatible products : Storage contail cloaded when not in use.	
chemical frie. Contain all water used for fine-fighting to the greatest extent Protection during firefighting : Do not enter fire area without proper protective equipment, including resp SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emergency procedures 6.1.1. For non-emergency personnel Emergency procedures 6.1.2. For emergency responders Protective equipment : Equip cleanup crew with proper protection. Emergency procedures : Ventilate area. 6.2. Environmental precautions Protective equipment : Equip cleanup crew with proper protection. Emergency procedures : Ventilate area. 6.2. Environmental precautions Prevent enty to severs and public waters. Notify authorities if liquid enters severs or public waters. 6.3. Methods and material for containment and cleaning up Wethods for cleaning up : Soak up spills with inter solids, such as clay or diatomaceous earth as or spillage. Store away from other materials. 6.4. Reference to other sections See Heading 8. Exposure controls and personal protection. SECTION 7: Headelling and Istorage error of vapor. 7.1. Procautions for safe handling Precautions for safe handling : Wash hands and other exposed areas with mild scap and water before ac smoking, and when leaving work. Provide good ventilation in process are of vapor. 7.2. Conditions for safe storago, including any incompatibilities Storage conditions : Storage bases. Storag acids. incompatibile products : Storage bases. Storag acids. incompatibile materials : Sources of ignition. Direct sunlight. X.3. Specific end use(s) No additional information available SECTION 3: Exposure controls/personal protection A.4. Control parameters Laak Freez Laak Greez L	
SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emergency procedures 6.1.1. For non-emergency personnel Emergency procedures : Evacuate unnecessary personnel. 6.1.2. For emergency responders Protective equipment : Equip cleanup crew with proper protection. Emergency procedures : Ventilate area. 6.2. Environmental precautions Prevent entry to severs and public waters. Notify authorities if liquid enters severs or public waters. 6.3. Methods and material for containment and cleaning up Methods for cleaning up : Soak up spills with inert solids, such as clay or diatomaceous earth as sor spillage. Store away from other materials. 6.4. Reference to other sections See Heading 8. Exposure controls and personal protection. SECTION 76 Handling and storago 7.1. Precautions for safe handling Precautions for safe handling : Weah hands and other exposed areas with mild scop and water before ear of vapor. 7.2. Conditions for safe storage, including any incompatibilities Storage conditions : Keep only in the original container in a cool, well ventilated place away for sunghts. 7.3. Speciffic end use(s)	when fighting any t possible.
6.1.1. For non-emergency personnel Emergency procedures For emergency responders Forelective equipment Function Emergency procedures Ventilate area. For emergency responders Frevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters. For emergency modelnes Frevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters. For emergency modelnes Frevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters. For emergency modelnes Frevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters. For entry to sewers and public waters. For entry to sewers a	including respiratory protection.
6.1.1. For non-emergency personnel Emergency procedures : Evacuate unnecessary personnel. 6.1.2. For emergency responders Protective equipment : Equip cleanup crew with proper protection. Emergency procedures : Ventilate area. 6.2. Environmental precautions Prevent entry to severs and public waters. Notify authorities if liquid enters severs or public waters. 6.3. Methods and material for containment and cleaning up : Soak up spills with inert solids, such as clay or diatomaceous earth as sor opillage. Store away from other materials. 6.4. Reference to other sections See Heading 8. Exposure controls and personal protection. SECTION 7. Handling and istorage 7.1. Precautions for safe handling Preceutions for safe handling : Wash hands and other exposed areas with mild scap and water before ear smoking, and when leaving work. Provide good ventilated place away for sunlight. Keep container in a cool, well ventilated place away for sunlight. Keep container cloaded when not in use. Incompatible moducts : Strong bases. Leak Freeze with Magic Frost

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Relative evaporation rate (butyl acetate=1)	:	No data available
Melting point	:	No data available
Freezing point	:	No data available
Boiling point	:	204.4 °C
Flash point	÷	229.44 °C
Self ignition temperature	:	No data available
Decomposition temperature	;	No data available
Flammability (solid, gas)	;	No data available
Vapor pressure		0.0001 mm Hg at 20 °C
Relative vapor density at 20 °C	1	No data available
Relative density	ţ	0.87
Solubility	ţ	Insoluble in water.
Log Pow	:	No data available
Log Kow	ł	No data available
Viscosity, kinematic	į	No data available
Viscosity, dynamic	:	No data available
Explosive properties	:	No data available
Oxidizing properties	i	No data available
Explosive limits		No data available

9.2. Other information

No additional information available

SECTION 10: Stability and reactivity

10.1. Reactivity	
No additional information available	
10.2. Chemical stability	
Stable.	
10.3. Possibility of hazardous reactions	
Will not occur.	
10.4. Conditions to avoid	
Heat. Direct sunlight. Extremely high or low temp	eratures
10.5. Incompatible materials	
Strong oxidizing agents. Strong acids. Strong ba	
	55.
10.6. Hazardous decomposition products Carbon monoxide. Carbon dioxide.	
SECTION 11: Toxicological informat	on
11.1. Information on toxicological effects	
Acute toxicity	: Not classified
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: Not classified
Specific target organ toxicity (repeated exposure)	: Not classified
Aspiration hazard	: Not classified
Potential Adverse human health effects and symptoms	: Based on available data, the classification criteria are not met.

Leak Freeze with Magic Frost Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 12: Ecological information 12.1. Toxicity	
No additional information available	
12.2. Persistence and degradability	
Not established	
12.3. Bioaccumulative potential	
Not established	
12.4. Mobility in soil	
No additional information available	
12.5. Other adverse effects	
Other information	: Avoid release to the environment.
SECTION 13: Disposal consideratior	1S
13.1. Waste treatment methods	
Waste disposal recommendations	: Dispose in a safe manner in accordance with local, state, and federal regulations.
Ecology - waste materials	: Avoid release to the environment.
SECTION 14: Transport information	
n accordance with DOT	
Not classified as hazardous by DOT	
Additional information	
ADR	
No additional information available	
Fransport by sea	
No additional information available	
Air transport	
No additional information available	
SECTION 15: Regulatory information	
15.1. US Federal regulations	
No additional information available	
5.2. International regulations	
5.2. International regulations	
15.2. International regulations CANADA No additional information available	
15.2. International regulations CANADA No additional information available EU-Regulations	
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available	0. 1272/2008 ICI DI
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No	o. 1272/2008 [CLP]
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified	
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified Classification according to Directive 67/548/EI	
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified Classification according to Directive 67/548/EI Not classified	
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified Classification according to Directive 67/548/EI Not classified 5.2.2. National regulations	
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified Classification according to Directive 67/548/EI Not classified 5.2.2. National regulations No additional information available 5.3. US State regulations	
No additional information available 15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified Classification according to Directive 67/548/EI Not classified 5.2.2. National regulations No additional information available 5.3. US State regulations No additional information available	
15.2. International regulations CANADA No additional information available EU-Regulations No additional information available Classification according to Regulation (EC) No Not classified Classification according to Directive 67/548/EI Not classified 5.2.2. National regulations No additional information available 5.3. US State regulations
